

# Homework Submission

## Homework 3 - WorldTrotter

### About this Document

Fill out this document and turn it in as part of your homework submission. You will most likely want to print, sign, and scan this document. You may use an image editor if you are able to sign your name with a digital pen.

Carefully complete each section. If this document isn't correctly filled out and submitted with the assignment, **the assignment grade will incur heavy penalties.**

### Basic Information

<b>Course Number</b> (e.g., CPSC-120)	CPSC 411
<b>Course Section</b> (e.g., 02)	03
<b>Your full name(s)</b> (use the name associated with our school)	Danyal Nemati  Indrajeet Patwardhan
<b>Github Repository URL</b>	<a href="https://github.com/2023-fall-puhp-csuf-cpsc-411/homework-3-world-trotter-danjeet/tree/master">https://github.com/  2023-fall-puhp-csuf-cpsc-411/homework-3-world-trotter-danjeet/tree/master</a>

## Items Completed

Clearly mark one of the check boxes in each row to confirm whether each of the following items have been completed. Carefully check each row for accuracy; Each incorrectly marked row may carry a **huge penalty on this assignment's grade and be subject to our institution's academic dishonesty policies.**

Completed	Not Completed	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The signed and completed version of this document is present in the repo as a multi-page PDF, not several image files.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	You have properly tested your submission by performing a fresh clone of your repository to an empty folder, opening it up in our semester-official version of Xcode, and confirming it compiles and runs properly under all emulator configurations specified by the instructor.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Your app has no build errors and can be built+launched with no additional configuration.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Your app has not been upgraded or modified in any way beyond exactly what is described by the assignment prompt. It looks and functions exactly as described.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app's layout is correct and doesn't fall apart when running the emulator with other locales (i.e., Spanish in Spain).
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app correctly converts Fahrenheit to Celsius.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app is localized to at least one additional language (i.e., Spanish). You may add more translations if you wish.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app prevents the user from entering too many "decimal separator" characters.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app prevents the user from entering too many "decimal separator" characters, for both the US and Spain regions.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has both a conversion mode/scene and a map mode/scene
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app's map scene has a functional TabBar view setup that changes the map's display type
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has been completed to the end of Chapter 3
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has been completed to the end of Chapter 4
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has been completed to the end of Chapter 5
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has been completed to the end of Chapter 6
<input checked="" type="checkbox"/>	<input type="checkbox"/>	The app has been completed to the end of Chapter 7

## Additional Comments

Write any additional comments for your submission here.

## Signature

Sign your name to attest the following statement. Only students signing below will receive credit for the assignment; If this is a group assignment, make sure everyone signs the same document.

I certify I have checked the above for accuracy and agree any inaccurate information may be subject to the department's policy on Academic Integrity / Academic Dishonesty.
